

CONNECTED CARE

THE CHRONIC CARE MANAGEMENT RESOURCE

MANAGING YOUR HEALTH CARE CAN BE OVERWHELMING, BUT IT DOESN'T HAVE TO BE.

If you have **Medicare** and live with **two or more chronic conditions** like arthritis, diabetes, depression, or high blood pressure, chronic care management services can help connect the dots so you can spend more time doing what you love.

Connected care means you will get a dedicated health care professional who will work with you to develop a personalized care plan.

Ask your doctor about chronic care management services and get the connected care you need.
